

PRIVACY POLICY

Effective date: April 20, 2023

Little Tattoo app does not and will not collect, disclose, share, retain or delete user or device data.

“Little tattoo” is strongly committed to protecting the privacy of its user community. Our app will never collect or share your personal information for any reason. Your information is private and is only used when you share.

CHILDREN’S PRIVACY

“Little tattoo” does not knowingly collect or solicit any information from anyone under the age of 13. The Service and its content are not directed at children under the age of 13. In the event that we learn that we have collected personal information from a child under age 13 without parental consent, we will delete that information as quickly as possible. If you believe that we might have any information from or about a child under 13, please contact us.

TrueDepth API

TrueDepth API: The App makes use of information using the TrueDepth API provided by Apple. **We are using the TrueDepth API to add a texture to the FaceGeometry to show virtual images on the user's face**

Our app does not collect, does not disclose, does not share, and does not retain face data and any information provided by the TrueDepth API.

HOW TO CONTACT US
